

Student Goal Worksheet

Use this worksheet to help you determine what you want to accomplish with the program. Be prepared to share your responses with your mentor to help set goals for the relationship.

1. Have you chosen your major? What influenced your decision? What other majors did you consider?
2. Name three careers or specialty areas that you would like to explore.
3. Think about networking. Who would you like your mentor to introduce you to? What professional groups would you like to connect with?

4. Consider your level of interest in the following activities. Rate your interest level as low, medium or high.

Visit your mentor's workplace	L	M	H
Meet others in the field	L	M	H
Learn how to network	L	M	H
Attend a professional meeting with your mentor	L	M	H
